Prize(s)

Preparation

Print one copy of the answer key

Instructions

Hand out copies of the word scramble upside down and pass out pens/pencils. Tell your guests the tiebreaker is to correctly spell the word “boutonniere” (pronounced *boo ton ear*) correctly.

Ask your guests to turn over the form at the same time. The first guest to correctly unscramble these wedding relate words wins. In the event of a tie, the winner is the guest who spelled “boutonniere” correctly.

Use the answer key to go over the words. The one who correctly unscrambled the most words wins a prize. If there is a tie, determine who spelled the tiebreaker word correctly.

Notes

Consider having clipboards, heavy magazines, or small phone books for the guests to use as a lap desk.

If a guest finishes before the allotted time has expired and she has all the correct answers, she may be declared the winner.

If you need a second tiebreaker, have your winners write their name on their form, fold the form in half and in half again, place in a large bowl or shopping bag, and ask the bride to draw the winner.
