Clock, watch, or timer
Prize(s)

Preparation

Print one copy of the answer key

Instructions

Hand out copies of the word search upside down along with a pen or pencil for each guest. Ask your guests to turn over the form at the same time. The first one to find all 25 words wins.

Notes

Consider having clipboards, heavy magazines, or small phone books for the guests to use as a lap desk

If the game takes longer than 20 minutes, ask your guests to lay down their pen/pencil. Determine who found the most words and declare that guest the winner.

If you need a tiebreaker, have your guests write their name on their paper, fold the papers in half and in half again, place in a large bowl or shopping bag, and ask the bride to draw the winner.
